IMPORTANT INFORMATION ABOUT THIS PROGRAM

Course availability and program requirements are determined by the School of Community Studies.

Not all course modes are available for all courses or programs, and not all courses are available each term. Learners should follow up on their individual program areas, or their MyBVC for information for courses delivery types and availability.

The program requirements that were in effect on the date that the learner began their program are those that need to be fulfilled in order to graduate.

 Term availability listed is only for the 2024/2025 Academic Year.

Maximum class capacity is determined by the department offering the course.

Pre-requisites are courses that must be successfully completed before taking a more advanced course.

Co-requisites are courses that must be taken before or at the same time as another course.

Practicums are considered a full time course load even if a learner isn't taking 9 credits.

Learners may attempt a course a maximum of 3 times. This includes withdrawing from a course.
