Message from the President and CEO

On behalf of the Bow Valley College community, congratulations!

Convocation is about you! It is an occasion when the college community, family, and friends come together to celebrate your significant achievement. That you have made it to this day is a testimony to your resilience, creativity, and commitment. By challenging your thinking, you gained the work-ready skills to make a difference in our communities and contribute to Alberta's economy.

Take a moment to reflect on the encouragement you received from others along your journey. Your supporters helped you to be your best, and they are excited for what you will accomplish next.

A Bow Valley College education opens doors for your future and provides new opportunities. You have the skills to get jobs or to be job creators. As you embark on your next career steps as a member of this alumni community, know that we will continue to be here to help you reach your lifelong learning goals.

Congratulations once again on your achievement. You have worked hard, and we are confident you will achieve great things. Good luck!

Sincerely,

Dr. Misheck Mwaba
President and CEO

Distinguished Speakers

Karen Ramchuk **President and CEO** **Women In Need Society (WINS)**

Karen Ramchuk, President and CEO of WINS, leads a team that provides barrier-free assistance to over 25,000 individuals annually, emphasizing empowerment for women facing poverty and violence. She is well-versed in gender equality issues, gender-based violence, and the struggles women face when living in poverty. She is also an advocate of female empowerment, inclusive leadership, and equal opportunities for all genders.

As a member of the Dean's Strategic Advisory Committee for the Chiu School of Business, she shapes future social entrepreneurs. Her role in the UN Commission on the Status of Women amplifies her global advocacy for gender equality. Her multifaceted leadership showcases a commitment to gender parity, social innovation, and lasting change. Karen exemplifies how visionary guidance can create positive societal impacts.

Hon. Rajan Sawhney, MLA
Minister of Advanced Education
Government of Alberta

Minister Sawhney was first elected as the Member of the Legislative Assembly for Calgary–North East on April 16, 2019, and was elected the Member for Calgary–North West on May 29, 2023.

Prior to her election, Minister Sawhney worked in the oil and gas industry for over twenty years in a variety of roles in economics and business development and served as the Vice President of Business Development for Fracture Modeling Inc. She attended the University of Calgary, earning a degree in Economics and Political Science as well as an MBA.

Minister Sawhney was sworn in as Minister of Advanced Education on June 9, 2023. She previously served as the Minister of Community and Social Services, Transportation, Trade–Immigration and Multiculturalism.

Valedictorians

Chris Lattin School of Foundational Learning

A native of Calgary and proud father of three children, Chris has embarked on a journey of resilience and determination.

A cabinetmaker with 20 years' experience, Chris battled addiction, emerging with a sense of purpose. His passion for being of service to others led him to Bow Valley College, first into upgrading, then onto the Practical Nurse Diploma program.

His dream is to ultimately become a registered nurse.

Chris describes his experience at Bow Valley College as "incredible", crediting supportive faculty, comprehensive resources, and awards for helping him focus on his education.

In Chris's words, "Life's most transformative moments may appear daunting, but with perseverance and the unwavering support of others, they become achievable milestones on the journey to a brighter future."

Sheila Tabangay-Muyomba **Health Care Aide, School of Health and Wellness**

Sheila Tabangay-Muyomba is a dedicated health care professional and a compassionate family person. Born and raised in the Philippines, Sheila embarked on her journey into the medical field in 2012; however, she took a hiatus to prioritize raising her family.

Despite the pause in her professional life, Sheila's dream of working in health care never waned. In 2019, she began her training as an emergency medical responder, a path that led her to become an instructor for the Canadian Red Cross. In 2023, she successfully completed her Health Care Aide training, marking her triumphant return to the medical field.

One of her cherished memories at Bow Valley College is of her time volunteering as a lab assistant for the School of Health and Wellness, sharing her knowledge and forging enduring friendships with her peers.

Now employed at Foothills Country Hospice, Sheila's work is more than just a profession; it is a calling. Her role as a caregiver exemplifies her deep compassion and steadfast commitment to her profession.

Sheila's story is one of personal and professional growth, resilience, and unwavering dedication.

**Amanda Herd,
Practical Nurse Diploma, 2024,
School of Health and Wellness**

Before starting the practical nurse program at Bow Valley College, Amanda earned a degree in education from the University of Winnipeg in 1998.

As a single mom of two, she spent years caring for children in her community and supporting their parents. Seeking more career fulfillment as her children got older, Amanda took the advice of a nurse at a blood donation clinic who suggested she try nursing. She got into the program at Bow Valley College a month later.

"I had no idea I was capable of the things I was capable of, like the ability to get really good grades and help my fellow students learn," says Amanda. "I just never took the chance on myself. The whole experience has empowered me."

Now, she's looking forward to taking the next steps as she graduates.

"There are so many possibilities. Bow Valley College sets you up to be successful," Amanda says. "My whole world is starting up again – I feel like a kid again. To be able to show your children that education is possible at any time – it's a gift."
