OVERSEAS JOB DESCRIPTION (ACTIVITIES & DELIVERABLES)

Reporting to the Dean of Students, and working in collaboration with the HIV/AIDS Prevention Coordinator, the incumbent in this internship will:

- Monitor and evaluate existing HIV and AIDS Health awareness initiatives of RVTTI
- Conduct research on the number of students that the program is reaching including how male and female students are targeted.
- Work with the Office of HIV and AIDS at RVTTI to formalize goals and create a framework for sustainable HIV and AIDS awareness, with a gender strategy incorporated.
- Support in the planning and implementation of HIV and AIDS awareness initiatives on campus.
- Support in planning and implementation of training of peer educators
- Attend and when appropriate present at department and cross-department committee meetings to ensure broad institutional understanding and buy-in of the initiatives being undertaken.
- Support ongoing sensitization of HIV/AIDS.

PREFERRED QUALIFICATIONS & PERSONAL SKILLS

- Minimum of a Diploma or Bachelors in Social Work or Community/Public Health or relevant higher education and professional experience
- Experience or familiarity in the area of community health with a focus on HIV/AIDS would be an asset.
