## **Volunteer Interpreters Wanted** **At Lougheed House Museum**

Volunteer Interpreters work with staff to develop their own tour style based on personal interests in the different stories of Beaulieu Gardens & Lougheed House.

Interpreters receive training, access to archives, free museum entry, as well as discounts in the restaurant and gift shop. Our historic costumer works with interpreters who wish to dress in period clothing; take on a historic persona or be yourself as you lead guests and visitors. Interpreters are asked to volunteer 8 hours per month, in shifts that can be split any way that accommodates your schedule.
