- 16.2 If an individual Employee, after consultation with their immediate supervisor, is unsatisfied with their workload assignment, the employee may, as soon as possible, but in any case within five (5) working days of notification of the assignment, or change to the assignment, request a meeting with the Workload Review Committee. The decision shall be delivered to the Employee and to the Dean or Director of the relevant program no later than five (5) working days after the meeting of the committee. The Employee may appeal to the chair of the Workload Committee if the recommendations of the committee are not carried out.

- 18.4 Within two (2) days of the disciplinary meeting, notice will be sent to the President of the Faculty Association of the name of the Employee who has been subject to disciplinary action and the date the action occurred, unless the Employee refuses in writing to consent to the release of this information. The written refusal to release this information would become part of the record of the disciplinary action.
- 18.5 An Employee who has been subjected to disciplinary action may, after twenty-four (24) months of continuous service from the date of the disciplinary action, request that their personnel file be purged of any record of the disciplinary action.
- 18.6 Provided that the Employee's file does not contain any further record of disciplinary action during that twenty-four (24) month period and the disciplinary action is not the subject of an unresolved grievance, the Employer shall purge the record from the file as requested.

The Employee may request a representative of the Faculty Association to be present at the time of the examination.

No information pertaining to interview records, reference checks or confidential information related to a medical diagnosis shall be contained in this file.

Section 19 GRIEVANCE PROCEDURE

To promote the earliest possible resolution of conflict arising out of this Collective Agreement, issues should be brought forward for discussion with the appropriate Parties directly with the intent of facilitating resolution informally. All faculty, including casual employees, are encouraged to participate in informal resolution discussions and have the right to Faculty Association representation.

However, where differences have not been resolved through informal discussion, the following section outlines the acceptable grievance procedures available to continuous and temporary faculty.

19.1 Definitions and Scope

- a) A grievance is a difference arising out of the interpretation, application, operation or any contravention or alleged contravention of this Agreement or as to whether any such difference can be the subject of arbitration.
- b) Notwithstanding sub-clause 19.1(a), (i) any complaint pertaining to Section 16, Workload Assignment, (ii) any complaint pertaining to a classification or the classification process, or (iii) the evaluation of an Instructor's preparation, shall not be considered a grievance for the purposes of this section and shall not be subject to the grievance process.
- c) A complainant alleging harassment, discrimination, unjust treatment or unjust working conditions may present a grievance directly to Level 2 only, but not to any further levels of the grievance or arbitration procedure. The decision made at Level 2 shall be final and binding.
- d) A grievance concerning the dismissal or termination of employment of a probationary Employee, or a grievance concerning a written reprimand, may be the subject of the grievance procedure up to Level 2 only, but not to any further levels of the grievance or arbitration procedure. The decision made at Level 2 shall be final and binding.
- e) A grievance concerning the dismissal of a Temporary Employee may be submitted up to Level 2 only, but not to any further levels of the grievance or arbitration procedure. The decision made at Level 2 shall be final and binding.
- f) "Days" means work days.
- g) A policy grievance is a difference concerning the interpretation, application or operation of the Collective Agreement between the Faculty Association and the Employer. A policy grievance shall not be initiated where the action grieved is capable of being grieved as an individual or group grievance.
- h) A group grievance is a grievance initiated by a group of academic staff members who are all grieving the identical issue. All grievors must sign both the initial grievance form and any subsequent initiating steps.

19.2 Meetings During Grievance Procedure

- a) A Faculty Association representative shall not discuss a grievance, or leave their place of work to investigate a grievance, during working hours without first obtaining permission from the immediate supervisor to do so.
- b) To promote the earliest possible resolution of conflict, issues should be brought forward for discussion with the appropriate parties directly to facilitate resolution at

Level 1 of the grievance process.

19.3 Grievance Process

a) Level 1

- i) An Employee shall, within ten (10) days of the date upon which the act causing the grievance occurred or within ten (10) days of when the Employee could have reasonably known the act occurred, meet and discuss the matter with the Employee's immediate supervisor who is not within the scope of the Collective Agreement.
- ii) In arranging for the meeting, the Employee must declare that the purpose of the meeting is for a Level 1 grievance hearing.
- iii) If desired, the Employee may request to have a Faculty Association representative attend the meeting.
- iv) The Employee's immediate supervisor who is not within the Faculty Association shall respond verbally to the grievor within ten (10) days of the date of the meeting.

b) Level 2

- i) With the approval of the Faculty Association in writing, an Employee not satisfied with the reply at Level 1 shall, within ten (10) days of receipt of the Employer's response at Level 1, submit the grievance in writing to the member of the Executive Team who is responsible for the department in which the grievor works. A copy shall be sent to the Human Resources Director.
- ii) The grievance submission shall contain a summary of the circumstances giving rise to the grievance, provision(s) of the Agreement considered violated and the particulars of the remedy sought.
- iii) The Executive Team member shall reply in writing to the Employee within ten (10) days of receipt of the grievance at Level 2 and also submit a copy of their reply to the Faculty Association.

c) Variance from Grievance Process

- i) Grievances involving dismissal or suspension without pay shall be commenced at Level 2, unless otherwise agreed between the Parties affected.

d) Policy Grievance

- i) A policy grievance shall be submitted to the other Party within ten (10) days of the act causing the grievance.
- ii) The Parties shall meet in an attempt to resolve the difference. Failure to resolve the policy grievance within ten (10) days of filing shall entitle the aggrieved party to advance the policy grievance to Level 3 arbitration.

e) Group Grievance

- i) A group grievance shall be submitted in writing within ten (10) days of the act causing the grievance. Failure to resolve the group grievance within ten (10) days of filing shall entitle the grievors to advance the group grievance to Level 3 arbitration.
- ii) Withdrawal of an individual academic staff member from the group grievance does not jeopardize the group grievance of the remaining grievors.

19.4 Level 3 Grievance Arbitration

- a) The grievor, with the written approval of the Faculty Association, may refer the grievance to arbitration by notice in writing within ten (10) days of the receipt of the Level 2 reply. Notice to the Employer shall be given to the AVP Human Resources with a copy to the Vice President Academic.
- b) The submission of a grievance to arbitration shall be to an arbitration board of three (3) members, one (1) appointed by the Faculty Association, one (1) appointed by the Employer and a third, who shall act as chairperson, mutually agreed upon by the two (2) members.
- c) Written notice of referral of the grievance to arbitration shall include the name of the referring Parties' appointed member of the arbitration board. The recipient of the notice shall, within five (5) days, advise the other Party of the name of its appointed member of the arbitration board. The two (2) appointees shall, within ten (10) days of the appointment, appoint a third person who shall chair the arbitration. If the recipient of the notice fails to appoint a member to the Board or if the appointees fail to agree upon a person to chair within the time limits, then the chair of the Labour Relations Board may be requested by either Party to appoint a person to chair the arbitration or appoint a member of the arbitration board.
- d) Should both Parties agree to the use of a single arbitrator, the written notice of referral of the grievance to arbitration shall include a name or list of names of persons it will accept as the single arbitrator. The Party receiving the notice, if it accepts the person or persons submitted to act as arbitrator, shall within five (5) days notify the other Party accordingly and the difference shall be submitted to that arbitrator, or if it does not accept any of the persons suggested by the party sending the notice it shall within five (5) days notify the other party accordingly and send the name or a list of names of the persons it is willing to accept as a single arbitrator. If the Parties are unable to agree on a person to act as a single arbitrator either Party may then request the chair of the Labour Relations Board to appoint a single arbitrator.
- e) As an alternative dispute resolution strategy, prior to proceeding to the arbitration hearing, mediation, if mutually agreed upon in writing, may be used.
- f) If the dispute is not resolved through mediation, either Party, upon written notice to the other, may terminate the mediation process and proceed to the arbitration hearing.
- g) Each Party to this Agreement shall bear its own costs of arbitration, including the costs of its appointees to the board. The Parties shall bear equally the costs of the arbitration board chairperson or the single arbitrator.
- h) The Employer shall grant an Employee leave of absence with pay for the purpose of attending the arbitration of the grievance.

19.5 Power of Boards of Arbitration

Arbitration Board Hearing

After the arbitration board has been duly constituted, it shall meet as soon as possible to hear the arbitration and render its decision in writing to the Parties as quickly as possible after the completion of the hearing.

- a) Arbitration boards have the authority to:
- direct the attendance of any witness it deems necessary;
 - keep a record of the proceedings;
 - direct access to any documents or other materials relevant to the dispute; and
 - correct any typographical error or omission in the Agreement or any previous award.
- b) Arbitration boards shall not add to, alter, modify or amend any part of the terms of the Collective Agreement by their decision, nor make any decision inconsistent with it nor deal with any other matter that is not a proper matter for grievance under the Collective Agreement.
- c) Arbitration boards shall confine their decisions solely to the precise issue submitted to them and shall have no authority to make a decision on any other issue not so submitted.
- d) When disciplinary action against an Employee is involved, the arbitration board may vary the penalty as is considered just and reasonable under the circumstances.
- e) The decision of a majority of the members is the decision of the board, but if there is no majority, a decision of the chairperson governs and that decision is the decision of the arbitration board.

19.6 Arbitration Decisions

- a) Arbitration decisions shall be final and binding on the Parties and all other interested persons.

19.7 Procedures and Time Limits

- a) Time limits and procedures contained in this grievance procedure are mandatory. Failure to pursue a grievance within the prescribed time limits, and in accordance with the prescribed procedures, shall result in abandonment of the grievance without recourse to arbitration. Failure to reply to a grievance in a timely fashion shall advance the grievance to the next step.
- b) Time limits in this section may be extended by written agreement between the Employer and the Faculty Association.

Section 20 NOTICE OF RESIGNATION

- 20.1 In order for an Employee to resign in good standing, the Employee shall provide the Employer with a minimum of three (3) weeks prior written notice of resignation.
- 20.2 The notice of resignation of the Employee should if possible coincide with the end of an operational cycle, such as the end of a trimester in order for the Employer to effectively and efficiently recruit to the vacant position by the commencement of the next academic period.
- 20.3 When an Employee has not resigned in good standing, the Employer may have that noted on the Employee's personnel file and the Employer may reflect this in any reference. The Employee, upon request, will be entitled to a confirmation of employment.

Section 21 STAFF REDUCTION

- 21.1 The Employer will make a reasonable effort to effect reduction in the work force through attrition and redeployment opportunities.
- 21.2 When there is a need to reduce the number of Employees and it has not been achievable through attrition and redeployment, the Employer shall consider the length of service and the qualifications, experience and abilities as related to programming needs, in determining the member or members within a department who shall be terminated. The Employer shall give consideration to reductions in Temporary or Casual Employees within the affected program prior to terminating Continuous Employees.
- 21.3 When a Continuous Employee is terminated, another Employee may submit a request to volunteer to be terminated in place of the Employee who has been given notice of termination. Approval of a volunteer Employee's request is at the discretion of the Employer and to subsequent agreement of both Employees involved. If the volunteer Employee's request is approved, the volunteer Employee will be notified and given a notice of termination. Notwithstanding section 21.5, the volunteer Employee will receive severance calculated as the lesser of the severance that would otherwise have been paid to the Employee to be terminated or severance calculated based on the volunteer Employee's own years of service.
- 21.4 Written notice of termination will be issued by the Employer to the Employee(s) with a copy to the Faculty Association.
- 21.5 Severance payment upon termination will be calculated as follows:

Full Years of Service Based on Most Recent Date of Commencement	Weeks of Pay at the Employee's Regular Rate of Pay
Up to and including 1 year	4 weeks
2 years	7 weeks
3 years	10 weeks
4 years	13 weeks
5 years	16 weeks
6 years	19 weeks
7 years	22 weeks
8 years	25 weeks
9 years	28 weeks
10 years	31 weeks
11 years	34 weeks
12 years	37 weeks
13 years or more	52 weeks

- 21.6 A Temporary Employee shall receive notice of termination or pay in lieu of notice based on their full years of continuous service in accordance with 21.5 only if their employment

is being terminated prior to the scheduled termination date of the assignment. No notice or pay in lieu shall be applicable when a Temporary Employee is terminated at the end of the scheduled term of the assignment.

Section 22 VACATION LEAVE

 - (b) giving the estimated or actual date of delivery.

28.5 Parental Leave

- (1) Subject to subsection (2), the Employer must grant parental leave to an Employee as follows:

- 29.3 A Continuous Employee who, at the commencement of the leave without pay, is participating in the Employer benefit plans shall, subject to the terms and conditions in the policies of insurance and plan conditions, continue to be covered under these plans through the period of leave. The Employer and Employee premium contributions shall remain the same for the first twelve (12) months of such leave, after which the Employee shall pay the full premium cost of the benefit coverage for the remainder of the leave. With regard to the Employees participation in the Public Service Pension Plan the Employer is responsible for paying the Employer share of contributions on the first year of combined Leave Without Pay (including maternity or parental leave). For any subsequent period of leave, the Employee is responsible for paying both the Employee and Employer contributions after the first year of leave has been purchased.
