Bow Valley College’s Mission; where people live and work, Bow Valley College will contribute to the vitality of communities and the strength of the economy through innovative adult education programs and services which equip people for successful living, lifelong learning, and work in a global, knowledge based economy.

In the contexts in which we live, learn, work and play, intercultural competencies have become essential, fundamental tools for success. “Intercultural dialogue is the best guarantee of a more peaceful, just and sustainable world”. - Robert Alan Silverstein

Post-secondary graduates who acquire these skills, through meaningful and experiential means, gain invaluable competencies and insight that will serve them long into their futures. Providing these experiences to learners requires thoughtful adaptations in what is taught, how it is taught and the services and opportunities offered through the campus community.

**OBJECTIVE AND PURPOSE**

“Simple exchanges can break down walls between us, for when people come together and speak to one another and share a common experience, their common humanity is revealed. We are reminded that we’re joined together by our pursuit of a life that’s productive and purposeful, and when that happens mistrust begins to fade and our smaller differences no longer overshadow the things that we share. And that’s where progress begins.”– President Barack Obama

In this spirit, Bow Valley College has launched the **Internationalization Innovation Fund (IIF)**. The purpose of this fund is to provide a scholarship opportunity towards initiatives which aim to “integrate an international dimension or perspective into teaching, training, research and service functions of the university (college).”

Administered by the International Education department, the purpose(s) of this fund may include but are not limited to initiatives which aim to:

- Internationalize the curriculum – incorporating an international component or dimension into an existing course.
- Developing work internship/service learning courses/programs that take place in an international setting or incorporate international elements.
- Initiatives which contribute to the internationalization strategies relative to one’s own department/program/service area and the College’s Vision 2020 goals.
- Infusing international elements by collaborating with overseas partners and programs such as student/faculty/staff exchanges/mobility.
- Engaging in an applied research initiative, individually or in partnership, that has a strong internationalization theme and in which long term internationalization benefits for the college can be demonstrated.
- Activities for events that raise awareness and foster engagement of global issues within BVC campus community.

**FUNDING**

The maximum allocation that can be solicited per proposed IIF initiative is $8000. Multiple proposal submissions may be granted in any given fiscal year. Please refer to the Budget section below for details regarding eligible expenses.

Eligible expenses up to the approved awarded amount will be reimbursed upon submission of a completed expense claim form and accompanying, eligible receipts. Individuals may request an advance for travel expenses prior to execution of the approved activities to a maximum of the awarded funds amount.

When submitting expense claims the project code 8280003 is to be used to ensure appropriate application of funding.

**ELIGIBILITY**

Internationalization Innovation Fund proposals are encouraged from any continuous staff, faculty, management or exempt employee of Bow Valley College (including employees with 2 or more years in the employment status of temporary). The intended sustainable outcomes and benefits of these initiatives to the college community are contingent upon the leadership and extended commitment of employees to support implementation. To be included with the proposal submission is a Letter of Support from the applicant’s immediate supervisor and approval from the applicant’s senior administrator: Director, Dean or Executive Member.
