The world needs you, so at
Bow Valley College, we create an
environment where you can triumph.

This is a place where international
students can soar, graduating with a
work-ready education in one or two
years in the vital fields of business,
health care, justice, human services,
and administration.

The skills you gain will make you an
in-demand graduate in vital fields –
exactly what global employers are
looking for.

There is no limit to where you can go
once your journey begins, and every
journey can begin here.

The BVC difference.

A Bow Valley College education is designed to get you into the work world *faster* and with the qualifications that will lead you to success.

1 Whether you are seeking a 1 – 2 year post-secondary career program, English language learning, professional development or even academic upgrading, BVC can serve your needs.

2 We are a board-governed, accredited, government designated learning institute that has built a strong reputation serving our local and overseas communities for the past 50 years.

3 Multiple start dates per year and face-to-face or blended programming options provide more flexibility in accomplishing your future goals.

4 Mandatory and optional work placement components are integral to most of our career programs. You get the hands-on experience and industry contacts to give you a competitive edge when you join the workforce.

5 With Industry Advisory Committees to support our program development and instructors who are practitioners and experts in their fields, our program content is current and accurate.

6 Your learning pathway doesn't have to end with a certificate, diploma or Post-diploma certificate. BVC offers many transfer agreements to further your education at other institutions.

Experience the vibrant life of Calgary

As Canada's fourth largest city, with a population of over one million residents, Calgary has quickly become an attractive spot for international professionals looking to live a better life. In addition to the high employment rates and rapid economic growth, this city ranks as one of the safest metropolitan areas in the country, boasting one of the lowest crime rates. Calgary also supports intercultural advancement and is home to many communities of diverse cultural backgrounds.

Situated near Banff National Park and the world-famous Rocky Mountains, Calgary offers a variety of activities all year round. During the warm days of Spring, Summer, and Fall, residents enjoy

outings such as hiking, rafting, biking, and mountain climbing. As the weather cools and snow collects, many people look forward to skiing, skating, and snowboarding. There are also numerous festivals and events that take place in the city, where residents and visitors are welcome throughout all seasons.

The Bow Valley College's main campuses are nestled in the bustling downtown core, among multimillion dollar corporations, immense shopping, and the revitalizing sight of the sparkling Bow River. Convenient public transportation makes popular restaurants, cultural hot spots, and beautiful parks easily accessible to all, while getting to school is as easy as stepping off the train.

Scholarships & Student Life

Bow Valley College offers a selection of scholarship and award opportunities for international students, through the various stages of their student role from entry to alumni. There is also reward eligibility for learners who wish to engage in international practicum initiatives. Please visit the student awards portal on our website **international.bowvalleycollege.ca/awards** for specific details.

We understand that moving to a new country and starting life as an international student is an important change for our learners. As such, they are offered opportunities to become an active member of the BVC community, which facilitates their integration to the college community and the city. Throughout the year BVC organizes **on and off-campus events** in which learners can get involved by participating and **socializing**, or **volunteering** to support our activities.

In addition, the International Education Department plans **excursions** in which our international learners can meet and socialize with their international peers. Moreover, in conjunction with the Student's Association of Bow Valley College, the **International Students Club** has been recently created with the purpose of supporting international students in adapting to their new life in Calgary and Bow Valley College. To know more about the events hosted by International Education, please visit: **international.bowvalleycollege.ca/StudentLife**

How to Apply

Follow these steps to become a Bow Valley College student.

1 CHOOSE YOUR PROGRAM OF STUDY

Choose the program or programs that interest you. Contact the International Education Department for availability of seats in your program of interest.

2 SUBMIT YOUR APPLICATION

Refer to international.bowvalleycollege.ca/apply to review the application deadline for international students and access the online application form.

3 CONSENT TO RELEASE

If you would like to grant anyone authorization to apply or act on your behalf, you will need to complete a Consent to Release Form which can be downloaded from our website.
