*Largest based on total square kilometers of Rogers 5G coverage compared to published coverage of other national networks. **Most reliable based on umlaut performance benchmark audit of Canadian mobile networks, June 2020. Rogers Infinite data plans include 10GB, 20GB or 50GB of data at max speed on the Rogers network, extended coverage areas within Canada, and Roam Like Home destinations (see rogers.com/roamlikehome). 5G access included at no extra charge until March 7, 2021. 5G access requires a 5G-enabled device in an area where there is 5G coverage (see rogers.com/coverage). Once you have reached the max speed data allotment of your plan, you will continue to have access to data services with no overage beyond the max speed allotment at a reduced speed of up to 512 kilobits per second (for both upload and download) until the end of your current billing cycle. Applications such as email, web browsing, apps, and audio/video streaming will continue to function at a reduced speed which will likely impact your experience. We will send you a text message notifying you when you have used 90% and 100% of the max speed allotment included in your plan with the option to purchase a Speed Pass to add more max speed data to your plan. Plan requires registration for online billing. In all cases, usage is subject to the Rogers Terms of Service and Acceptable Use Policy. rogers.com/terms. Offer subject to change without notice. A Setup Service Fee of \$45 per line applies to setup your device and related services. Taxes extra. Employee verification is required; Rogers reserves the right to request proof of employment from each Individually Paid Employee at any time. A one-time Employee Pricing Fee of \$50 may apply for existing customers. Existing customers with 6 months or less tenure on their term plan are not eligible to receive this discount. This offer cannot be combined with any other consumer promotions and/or discounts unless made eligible by Rogers. 1 Only available on primary line. Plan change or phone upgrade will cancel the discount. 2 Savings applied vary by device, \$650 in savings over 24 months available with the Samsung Galaxy S20 Ultra. © 2020 Rogers Communications.
